The amendment filed on 3/21/08 is not in proper format in that it does not comply with 37 CFR 1.173, i.e., the amendment includes strike-thru instead of bracketing. Further, all new subject matter with respect to the patent should be underlined all the time. Since the amendments in a reissue are made with respect to the printed patent and not a previous amendment, any new claims will be entirely underlined all the time, and should not have any deletions with brackets [ ].

Applicant should also note that a supplemental oath/declaration is needed with the "all errors" statement to include the extensive amendments made since the filing of the previous oath/declaration.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is later, from the mailing date of this letter.

Any inquiry concerning this communication should be directed to Kenneth B. Wells at (571)272-1757.
